By virtue of section 92, the Secretary of State is the “appropriate national authority” as regards England, for the purposes of regulations made under Part 6.

and references in these Regulations to a “regulation 10 penalty charge notice” are to a penalty charge notice served by virtue of this paragraph.

(2) For the purposes of paragraph (1)(c), a civil enforcement officer who observes conduct which appears to constitute a parking contravention shall not thereby be taken to have begun to prepare a penalty charge notice.

(3) A regulation 10 penalty charge notice shall be served on the person appearing to the enforcement authority to be the owner of the vehicle involved in the contravention in consequence of which the penalty charge is payable.

(4) Subject to paragraph (6), a regulation 10 penalty charge notice may not be served later than the expiration of the period of 28 days beginning with the date on which, according to a record produced by an approved device, or information given by a civil enforcement officer, the contravention to which the penalty charge notice relates occurred (in these Regulations called “the 28-day period”).

(5) Paragraph (6) applies where—

- (b) “notice of rejection” has the meaning given by regulation 2 of the Representations and Appeals Regulations.

### **Enforcement of charge certificate**

**22.** Where a charge certificate has been served on any person and the increased penalty charge provided for in the certificate is not paid before the end of the period of 14 days beginning with the date on which the certificate is served, the enforcement authority may, if a county court so orders, recover the increased charge as if it were payable under a county court order.

### **Invalid notices**

**23.—(1)** This regulation applies where—

- (a) a county court makes an order under regulation 22;
- (b) the person against whom it is made makes a witness statement complying with paragraph (2); and
- (c) that statement is served on the county court which made the order, before the end of—
  - (i) the period of 21 days beginning with the date on which notice of the county court's order is served on him; or
  - (ii) such longer period as may be allowed under paragraph (4).

(2) The witness statement must state one and only one of the following—

- (a) that the person making it did not receive the notice to owner in question;
- (b) that he made representations to the enforcement authority under regulation 4 of the Representations and Appeals Regulations but did not receive from that authority a notice of rejection in accordance with regulation 6 of those Regulations;
- (c) that he appealed to an adjudicator under regulation 7 of those Regulations against the rejection by the enforcement authority of representations made by him under regulation 4 of those Regulations but—
  - (i) he had no response to the appeal;
  - (ii) the appeal had not been determined by the time that the charge certificate had been served; or
  - (iii) the appeal was determined in his favour; or
- (d) that he has paid the penalty charge to which the charge certificate relates.

(3) Paragraph (4) applies where it appears to a district judge, on the application of a person on whom a charge certificate has been served, that it would be unreasonable in the circumstances of his case to insist on his serving his witness statement within the period of 21 days allowed for by paragraph (1).

(4) Where this paragraph applies, the district judge may allow such longer period for service of the witness statement as he considers appropriate.

(5) Where a witness statement is served under paragraph (1)(c)—

- (a) the order of the court shall be deemed to have been revoked;
- (b) the charge certificate shall be deemed to have been cancelled;
- (c) in the case of a statement under paragraph (2)(a), the notice to owner to which the charge certificate relates shall be deemed to have been cancelled; and
- (d) the district judge shall serve written notice of the effect of service of the statement on the person making it and on the enforcement authority concerned.

(6) Subject to regulation 20, service of a witness statement under paragraph (2)(a) shall not prevent the enforcement authority from serving a fresh notice to owner.

(7) Where a witness statement has been served under paragraph (2)(b), (c) or (d), the enforcement authority shall refer the case to the adjudicator who may give such directions as he considers appropriate and the parties shall comply with those directions.

(8) A witness statement under this regulation may be served on the county court by email in accordance with Section I of Practice Direction 5B in Part 5 of the Civil Procedure Rules 1998(a).

(9) In this regulation—

- (a) references to a “notice to owner” include a regulation 10 penalty charge notice; and
- (b) “witness statement” means a statement which is a witness statement for the purposes of the Civil Procedure Rules 1998 and which is supported by a statement of truth in accordance with Part 22 of those Rules.

#### **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations, together with the Civil Enforcement of Parking (Representations and Appeals) (England) Regulations 2007 (S.I. 2007/3482), provide for the civil enforcement of parking contraventions in England (including Greater London) in accordance with Part 6 of the Traffic Management Act 2004. Part 6 and the two sets of Regulations accordingly supersede the provisions of Part II and Schedule 3 of the Road Traffic Act 1991.

*Part 1* of these Regulations makes provision for preliminary matters including the citation, commencement and application of the Regulations (*regulation 1*), their interpretation (*regulation 2*), including in particular when a penalty charge is to be treated as “outstanding” for the purposes of these Regulations (see *regulation 13(5)(a)*), and the service of documents by post (*regulation 3*). Nothing in *regulation 3* applies to the service of any notice or order made by a county court.

Part 2 relates to penalty charges. *Regulation 4* enables penalty charges to be imposed for parking contraventions. A penalty charge is payable by the owner of the vehicle concerned (*regulation 5(1) and (2)*), except that *regulation 5(3) and (4)* makes special provision with respect to hired vehicles. In accordance with *regulation 6*, a penalty charge is not to be imposed except on the basis of a record produced by an “approved device” (see section 92(1) of the Traffic Management Act 2004 and the Civil Enforcement of Parking Contraventions (Approved Devices) (England) Order 2007 (S.I. 2007/3486) or information given by a civil enforcement officer as to conduct observed by him. *Regulation 7* prohibits criminal proceedings and fixed penalty notices under the Road Traffic Offenders Act 1988 in respect of parking contraventions in civil enforcement areas; but an exception is made for pedestrian crossing contraventions. Where such a contravention is the subject of criminal proceedings or of a fixed penalty notice, the issue of a penalty charge notice under the Regulations is prohibited and any penalty charge which has been paid must be refunded.

*Regulation 8* defines a penalty charge notice and introduces the Schedule which makes detailed provision as to such notices including their content. *Regulation 9* enables a civil enforcement officer, where he has reason to believe that a penalty charge is payable for a stationary vehicle in a civil enforcement area, to fix a penalty charge notice to the vehicle or hand one to the person appearing to him to be in charge of it. *Regulation 10* makes provision for the service of a penalty charge notice by post, on the basis of the evidence of an approved device or where a civil enforcement officer has been prevented by some person from serving one in accordance with regulation 9 or had begun to prepare a penalty charge notice in accordance with regulation 9, but the vehicle was driven away before it had been served under regulation 9, and for the time limits applicable to notices served by post. *Regulation 11* makes it an offence to interfere with a penalty charge notice served by its being fixed to a vehicle, except by or under the authority of the owner or person in charge of the vehicle or the enforcement authority.

Provision is made by *Part 3* as to the immobilisation of vehicles. *Regulation 12* defines the circumstances in which an immobilisation device may be fixed to a vehicle, requires a notice to be fixed to the vehicle at the time of immobilisation and creates the offences of interfering with the notice or the immobilisation device. *Regulation 13* specifies exceptions to the general power to immobilise and *regulation 14* specifies the pre-requisites for the release of a vehicle from an immobilisation device.

*Part 4* provides for the appointment of adjudicators by enforcement authorities and for the functions of those authorities relating to adjudicators to be discharged through joint committees. By *regulation 15* the London authorities are required to discharge these functions through a single joint committee and provision is made for the arrangements for the joint discharge of functions under the Road Traffic Act 1991 by those authorities to be continued in force under the new legislation until superseded. *Regulation 16* requires the non-London English authorities to act through one or more joint committees (with a minimum membership of 3 authorities each) and also provides for arrangements under the 1991 Act to be continued as between English enforcement authorities until superseded. Enforcement authorities are required by *regulation 17* to appoint a sufficient number of adjudicators and provision is made for parking adjudicators holding office under the 1991 Act immediately before the coming into force of these Regulations to continue in office.

*Part 5* is concerned with the enforcement of penalty charges. *Regulations 19 and 20* provide for the service of a notice to owner by an enforcement authority in respect of an unpaid penalty charge and specify the contents of a notice to owner and the time limit for service. Provision is made by *regulations 21, 22 and 23* for the service of charge certificates in respect of unpaid penalty charges (where a notice to owner or penalty charge notice under regulation 10 has been served and the avenues of appeal have not been pursued or have been pursued unsuccessfully), for charge certificates to be enforced through a county court and for county court orders to be set aside where the respondent serves a witness statement stating one of the matters mentioned in *regulation 23(2)*.

In *Part 6*, *regulation 24* requires the function of setting the levels of charges under Schedule 9 to the Traffic Management Act 2004 to be discharged by the London local authorities through a joint committee. *Regulation 25* applies section 55 of the Road Traffic Regulation Act 1984, with modifications, to the income and expenditure of enforcement authorities under Part 6 of the Traffic Management Act 2004 and *regulation 26* provides for the carrying forward of the surpluses of non-London authorities in accounts kept under section 55 as that section applied to those authorities under orders made under Schedule 3 to the Road Traffic Act 1991.
